

# Responsibilities of a Citizen

---

1. How are responsibilities assumed when considering the *rule of law*?
  
2. What are some *common goals* of all Canadians, for which we will have responsibilities?
  
3. What other responsibilities are there for living in a fair and just society?
  
4. What are some examples in school or in the news of students who have acted responsibly or irresponsibly?
  - how were they being responsible or irresponsible?
  - did this person's action help or hurt others? how?
  - what can be learned from their actions?
  
5. What do you think about the creation of a Universal Declaration of Human *Responsibilities*?
